

OPEN HOUSE

BRING THE KIDS & COME EXPLORE

ARTS + SCIENCES IN ACTION!

NOV. 23 2019 | SATURDAY | 9:30AM-NOON

BARNESVILLE
SCHOOL OF ARTS &
SCIENCES

PreK-8th Grade Small Class Settings Cross-Curricular Teaching

We invite you to visit our campus to see why Barnesville School of Arts & Sciences is an ideal place to engage your child's imagination and intellectual curiosity.

Our fall admissions open house includes tours tailored to different age groups and hands-on activities for prospective students. Our entire faculty will be on campus for this special Saturday event designed to give families an in-depth look at Barnesville's cross-curricular program.

After a general information session and student panel, families will visit classrooms and meet our teachers. Students will also participate in arts and sciences activities and explore our 30-acre campus in the Montgomery County Agricultural Reserve.

Visit to explore if Barnesville is the right fit for your #JOYfulLearner. Please RSVP to attend:
DDon@BarnesvilleSchool.org or call Debbie Don at 301-972-0341 ext. 315.

Need-Based Variable Tuition | Bus Service: Kentlands, Clarksburg, Frederick, Urbana
